\*)Description

Students are expected to understand the evolution of the relations among major powers, as well as the profound impact of the international relations on contemporary international politics, economy, culture, war and peace, and discover the basic law of the evolution of world history. In particular, they are expected to understand the diplomatic policy and international strategies of China, and its roles and impact on the contemporary world.

The course will be done through lectures by the instructor. Students are required to read the reference materials before class and participate fully in class discussions.
