* Description	2					
* Description	<p>This is a compulsory course for German majors in the third year. It deals with difficult articles of different genres and themes and word building provided that students have met the basic requirements after the first two years. The goal is to equip students with better knowledge of the language and culture of German-speaking countries, a wider range of vocabulary and appropriate expressions for different situations, thus improving their comprehensive language skills in reading, speaking, writing and translation.</p>
