\* Description As a major foundation course for German minors in the second year, this course puts together language knowledge like pronunciation, grammar, vocabulary and language skills like listening, speaking, reading and writing, so as to develop students' communication skills. This is done from a pragmatic approach, i.e., language situations, purposes of communication, genres and themes. It covers German pronunciation, basic grammar, basic vocabulary, word building, situations and culture of German-speaking countries, listening comprehension, topic-specific conversations, writing, translation and extensive reading. Explanation of language points, single-and-multi-purpose language training and real-life application are carried out for language purpose. For the purpose of reading comprehension,
